

Enhanced Access

Communications Pack for Practices

Introduction

Through your Primary Care Network you have commissioned the at-scale Enhanced Access service which is being delivered by Primary Care Sheffield. This service will go-live on **Saturday 1st October 2022**. This communications pack is designed to help you communicate this change with your patients.

In this pack

- [Read a summary message for patients](#)
- [Download patient leaflets and service view webpages](#)
- [Get template communications for use by participating practices.](#)
 - Text message
 - Website text
 - Privacy notice for website

Summary message for patients

Local GP practices have teamed up to improve the way we provide weekend and evening appointment for our patients.

This new service will begin on Saturday 1st October it and will mean that most people will be able to book weekend and evening appointments closer to where they live.

Remote and face-to-face appointments can be made with a variety of GP practice staff including Doctors, Advance Care Practitioners, Nurses, Nurse Associates, Health Care Assistants, Physiotherapists and, Pharmacists.

Initially appointments can be booked by you GP, but we will soon be adding the option for patients to book direct online and through NHS 111.

Patient leaflets

We have created leaflets and webpages for each PCN cluster to help provide patients with information about the new service **in their area**. Download the correct leaflet for your patients below.
